

## Sustainable Communities Planning Grant Program

You can register for a base plan with no commitment starting at \$39 per month. We then have three unique grant management packages set at \$500 / \$4,750 and \$14,750 depending upon your needs. We are here to help and look forward to working with you. To get started, please call 775-747-7407 x2. We will answer any questions, get an invoice set-up and you can get started right away.

Leverage this option to complete your grant:

- Option A:
  - Cost = \$500
  - 6-month access to Base Plan with access for 1 – 20 users
  - 1-hr consulting to walk through system, help ensure plan is set-up properly in system and pulls data through to reporting.

Once you have won your grant, leverage one of these options to execute:

- Option B:
  - Cost = \$4,750
  - 3-year access to MyStrategicPlan with access for 1 – 20 users
  - 3-year access to The Strategy Dashboard
  - 4 – 1-hr consulting sessions to walk through system, help work through setting your plan up properly in system and pulls data through to reporting. As well as running first round of reports.
- Option C:
  - Cost = \$14,750
  - 3-year access to MyStrategicPlan with access for 1 – 20 users
  - 3-year access to The Strategy Dashboard
  - Hold initial 1-day planning meeting on site with key stake holders to drive plan development and execution
  - We enter data/plan in system
  - 4 – 1-hr consulting sessions to walk through system, ensure plan is properly set-up in system and pulls data through to reporting. As well as running first round of reports.
